DE VERSIONE POLONICA.

§. I.

POLONI, vernacula, eademque typis impressa, Codicis sacri integri, Versione, ante Annum salutis MDLXIII. haud equidem caruere, verum enim vero titulo tenus saltem. Versio enim isthæc fuit versionis, vulgatæ puta Catholicorum Latinæ. *Versione autem, ex ipsis fontibus sacris, Hebraeis et Chaldaeis atque Graecis concinnata, ad usque annum praedictum caruerunt omnino; quippe quo ipso auspiciis atque sumtibus*)*
